# RTA traineeships

Business (motor registries)

Certificate III

“I am part of a great team working for one of Australia’s largest organisations. No matter what you aim for, if you set your mind to it, the RTA will help you achieve it.”

**Daniel Li** Business (motor registries) trainee

# A traineeship with the RTA is your **springboard to a successful career**

## **Business (motor registries)**

As a business trainee, you will be the face of the RTA.

Over a 12 month period, you will be trained and supported by an experienced team in your motor registry, to provide quality customer service.

At the beginning of your traineeship you will undertake an extensive one month training period, which will provide you with the skills and knowledge you need to perform your day-to-day duties of processing over-the-counter transactions.

Your formal training includes classroom based sessions with fellow trainees from your sector which will provide valuable networking opportunities.
