## INDUSTRY FACT SHEET

# Enrolling in the Intelligent Access Program (IAP)

The IAP is now live and provides registered operators with an opportunity to benefit from enhanced access arrangements in New South Wales.

This fact sheet provides step by step instructions on how to become part of the IAP.

### ENROLMENT PROCESS

- STEP 1** Find out what access arrangements are available under the IAP and determine whether your vehicle meets the requirements for your preferred IAP application.
- STEP 2** Apply for the IAP at [www.rta.nsw.gov.au/iap](http://www.rta.nsw.gov.au/iap).
- STEP 3** The RTA issues an Intelligent Access Condition (IAC), which contains details of your selected IAP application.
- STEP 4** Choose an IAP Service Provider. Only IAP Service Providers certified by Transport Certification Australia (TCA) can provide IAP services. A list of IAP Service Providers is available at [www.iap.gov.au](http://www.iap.gov.au).
- STEP 5** IAP equipment is installed in your vehicle by your selected IAP Service Provider.
- STEP 6** The RTA issues an Intelligent Access Permit to the vehicle and the vehicle can now legally operate under the enhanced access arrangements of the IAP application.
