

2009 / 2010 Christmas Holiday Travel Restrictions - Load Carrying vehicles and Special Purpose Vehicles

These restrictions only apply to vehicles with Oversize loads and to Oversize special purpose vehicles such as cranes, drill rigs, concrete pumps and are specified in Part 6 of the relevant Oversize Notice. Different restrictions apply to Agricultural Machines being driven under their own power or towed.

These restrictions only apply to over size travel. Permits to exempt you from any of the listed restrictions are NOT available except under emergency provisions relating to fire, explosion or natural disaster.

If you are operating under an over mass permit but don't exceed a width of 2.5 metres or a legal length limit then you have year round access on your approved over mass routes.

Night Travel Zones

Travel between 1.00 am and sunrise is permitted for oversize vehicles and loads within approved Night Travel Zones and on approved Night Travel roads all year round. You can find these listed in the General Class 1 Oversize Notices 2007, click here - [Permit Notices](#).

Daytime Travel

If you are travelling within the dimension limits of the General Class 1 Oversize Notices 2007, from **sunrise on 23rd December to sunset on 3rd January**, you cannot travel on

- The Newell Highway, and
