

## Conditional Registration Guide (vehicle sheet) House moving equipment

### Equipment requirements and operation conditions

#### Additional vehicle requirements:

- Only equipment made up of components including bolsters, goosenecks, beams and dollies may be conditionally registered. Prime movers and low loaders used to move buildings may **not** be registered under the conditional registration scheme.
- All lighting must be fitted as near as possible to the position specified in Schedule 2 of the Road Transport (Vehicle Registration) Regulation 2007.

#### Driver Licence type required:

Not applicable

#### Mandatory conditions:

- Only to be used in accordance with route specific permits.
- Must comply with requirements of RTA publication VSI I 1, Requirements for the Movement of Buildings.
