Amendment to AIS Rule 13 “Defect Notices”

Rule 13.15 - Removal of “Defective” Labels

Previously Rule 13.15 did not allow an AIS Proprietor or Examiner to remove a “Defective Vehicle Label”. The removal of the label was restricted to Roads and Traffic Authority (RTA) Authorised Staff and Police.

This rule has now been amended to allow AIS Proprietors and Examiners to remove “Defective Vehicle Labels”. Would you please amend your Rules book accordingly. Replacement pages for your Rules book will be issued in due course.

Note: The requirement to conduct a full or partial inspection, depending on the defect notice endorsement has not changed and under no circumstances should a label be removed until the defect notice is cleared.
