Seasonal Registration of Heavy Vehicles

In VIB 42 and 42.01 Inspection Stations were advised of new procedures and fees to apply from February 2001 for the examination of heavy vehicles for registration purposes.

Some confusion has arisen to the documents required to seasonally register a heavy vehicle. The following matrix sets out the documentation required.

HEAVY VEHICLES REGISTERED FOR SEASONAL USE		
Establish registration	Vehicle entered on DRIVES	Pink Slip
Establish registration	Vehicle not entered on DRIVES	Pink Slip+ Blue Slip
Renewal of registration		Pink Slip
Establish registration <i>from</i> seasonal to general use		Pink Slip+ Blue Slip
Establish registration from general <i>to</i> seasonal use		Pink Slip

Note: RTA Form No. 250 is no longer to be used for seasonally registered vehicles.
