\* Includes passengers

<b>FINAL 2008 TOTALS:</b>	<b>Fatal crashes 353</b>	<b>Fatalities 374</b>
---------------------------	--------------------------	-----------------------

Preliminary Data -Note: Fatalities will be removed from statistics if subsequent Police or Coronial investigation shows that they did not fall within National reporting guidelines. Fatalities will be added from a crash occurring prior to today's date where a person subsequently dies within 30 days or the crash is reported late. Typically, these variations may result in a statewide annual decrease of up to 12 fatalities from the initial preliminary figure.
