## RESTRICTED PARKING AREAS

### GENERAL

Enclosed is a copy of the Roads & Traffic Authority's (RTA) manual, *Restricted Parking Areas (Version 2.0)*.

This manual outlines all aspects of planning for, and implementation of, restricted parking areas. It includes the outlining of responsibilities for various organisations, approval procedures, publicity requirements, effectiveness auditing and signposting requirements.

This new version of the *Restricted Parking Areas* manual, has been prepared in accordance with current legislation and national road rules and in consultation with RTA Legal Services and the NSW Police Service.

### UPDATES

To ensure that this *Technical Direction* remains current and relevant, minor updates may be made from time to time. This may be done through the RTA website using the Traffic & Transport Policies & Guidelines Register which can be found at:
