Dear Mr Fogarty

Princess Highway Upgrade - Foxground and Berry Bypass - Declaration of Major Project

The Department wishes to advise that on 27 August 2010, the Minister for Planning declared, by virtue of an Order under section 75B(1) of the Environmental Planning and Assessment Act 1979 (the Act), the Princess Highway Upgrade – Foxground and Berry Bypass to be a project to which Part 3A of the Act applies, and will be subject to determination by the Minister for Planning. The Order was subsequently published in the NSW Government Gazette on 10 September 2010. I have enclosed a copy of the gazetted declaration for your information.

Should you wish to proceed with the project, a Project Application must be submitted to the Department, accompanied by a preliminary environmental assessment (PEA). This will enable the preparation of the Director-General's Requirements pursuant to sections 75(F) (2) of the Environmental Planning and Assessment Act 1979.

Prior to lodging the Project Application and PEA, it is requested that you contact the Department to determine whether a Planning Focus Meeting will be required.

Please contact Mark Turner on the above contact details should you have any queries on this matter.
