Make a submission
Foxground and Berry bypass Princes Highway upgrade

NOVEMBER 2012 ENVIRONMENTAL ASSESSMENT

Have your say
Your comment on the proposed Foxground and Berry bypass project is welcome. You are invited to make a written submission on the project, during the display period. The Department of Planning and Infrastructure requests that your submission include:

• Your name and address.
• Your comments on the project.
• Whether you support or object to the project or if you are just providing comments.

Written submissions must be received no later than Monday 17 December 2012.

The Department of Planning and Infrastructure prefers to receive written submissions online via their website at www.planning.nsw.gov.au. If you cannot lodge your submission online it can be sent via email to plan_comment@planning.nsw.gov.au

Important information if you are making a submission
• All submissions made to the NSW Department of Planning and Infrastructure during the public display will be posted on the Department’s website. If requested, your name can be removed to protect your privacy but you must request this in your submission. For more on the Department’s privacy policy please go to www.planning.nsw.gov.au.
• You must disclose if you or an associate have made a political donation of $1000 or more during the past two years. Please go to www.planning.nsw.gov.au/donations for more information.

Community information sessions
A series of informal topic specific community information sessions are planned. The community is encouraged to read the environmental assessment documents and speak directly with project team specialists at one of the following sessions:

Noise and vibration
Tuesday 20 November 2012 between 6pm and 7.30pm at Berry School of Arts, Alexandra Street Berry.

Flooding
Wednesday 21 November 2012 between 8pm and 7.30pm at Berry School of Arts, Alexandra Street Berry.

Traffic
Thursday 22 November 2012 between 6pm and 7.30pm at Berry School of Arts, Alexandra Street Berry.

Urban design
Tuesday 27 November 2012 between 8pm and 7.30pm at Berry School of Arts, Alexandra Street Berry.

Please register your interest in attending a community information session by calling 1800 506 976 (free call).

Planning and decision making process
RMS submits a major project application to the Director-General of the NSW Department of Planning and Infrastructure (DP&I)

Director-General provides environmental assessment requirements (DGR’s)

RMS prepares an environmental assessment and submits to the Director-General for adequacy

Environmental assessment on public display
Formal submissions invited

DP&I collates all submissions and issues them to RMS to address

RMS provides a submissions report / revised project statement / preferred project report if required

Assessment report prepared by the Director-General

Minister for Planning and Infrastructure decides whether or not to approve the project and advises the conditions to be attached to any approval
