Night work on Pacific Highway, Gordon from Thursday, 23 November

The NSW Government is funding this project as part of its $300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest road corridors.

Roads and Maritime Services will be installing a safety barrier around a directional sign near the intersection of Pacific Highway and Merriwa Street. The directional sign was relocated from the side of the road to the centre median island on Pacific Highway to allow a new permanent electronic message sign to be installed.

The installation of the safety barrier was due to be completed in August but was delayed due to scheduling conflicts.

**Our work schedule**

We will be on site to install the barrier for eight shifts between Thursday, 23 November and Friday, 15 December, weather permitting. Our work hours will be between 9pm and 5am from Sunday to Friday.

We have included a map to show the location of the work.

**How will the work affect you?**

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by 11pm.

**Traffic changes**

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

**Contact**

If you have any questions, please contact our delivery partner, LT Joint Venture, on 1800 735 563 or info@ltjv.com.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
