New and extended clearways on Henry Lawson Drive, Forest Road and Stoney Creek Road

Roads and Maritime Services | October 2018

The NSW Government is delivering faster, easier and safer travel on Sydney’s roads.

In September 2018 Roads and Maritime announced new weekday 6am to 10am and 3pm to 7pm clearways on Henry Lawson Drive, Forest Road and Stoney Creek Road between Padstow Heights and Penshurst (details overleaf).

The new and extended weekday clearways will be operational from Monday 5 November 2018.

Clearways help improve journey times by making all lanes available to traffic during clearway times, which reduces congestion and helps motorists get to their destination sooner.

New alternative business parking

Georges River Council has approved the alternative business parking on Penshurst Street (details overleaf). The new alternative business parking will be available for business customers when the new and extended clearways commence on Monday 5 November 2018.

What happens next?

The new and extended clearways signs will be installed between Saturday 20 October 2018 and Sunday 4 November 2018 (weather permitting). Our working hours will be between 8pm and 5am from Monday to Sunday.

If you have any questions about the installation work, please contact our delivery partner, Ventia Boral Amey Joint Venture (VBAJV) on 1800 677 700.

How will the work affect you?

There will be some noise associated with this work but we will do everything we can to minimise its impact, including completing the noisier tasks by 11pm.

During the installation work, there will be some temporary traffic changes to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions.
