Night investigation work on Broadarrow Road, Beverly Hills from Friday, 16 February

The NSW Government is funding this investigation as part of its $300 million Gateway to the South Pinch Points program which will improve traffic flow on Sydney’s key southern road corridors by upgrading major intersections.

Roads and Maritime Services will be carrying out investigation work which includes drilling several bore holes to help inform the design of the project.

We have included a map to show the location of work.

Our work schedule

We will be on site for four night shifts between Friday, 16 February and Monday, 12 March, weather permitting. Our work hours will be between 8pm and 5am from Sunday to Friday.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by 11pm.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our project manager, Elie Anthony, on 1800 572 114 during business hours or G2S@rms.com.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
