Investigation work on proposed intersection improvements at King Georges Road, Broadarrow Road and Ponyara Road, Beverly Hills, from Friday 29 September

The NSW Government is funding this project as part of its $300 million Gateway to the South Pinch Point Program which will improve traffic flow on Sydney’s key southern road corridors by upgrading major intersections.

Roads and Maritime Services will be carrying out investigation work to develop a proposal for improvements at this intersection. This work will include ground utility surveys to help inform the design of the project.

We have included a map to show the location of work.

Our work schedule

We will be on site for three night shifts and two day shifts between Friday 29 September and Friday 27 October, excluding public holidays, weather permitting. Our night work hours will be between 9pm and 5am from Monday to Saturday. Our day work hours will be between 7am and 6pm from Monday to Saturday.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by 11pm.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our project manager, Elie Anthony, on 1800 572 114 during business hours or G2S@rms.nsw.gov.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on 131 450 and ask them to telephone Roads and Maritime Services on 1800 572 114.

Arabic
