Continued partial closure of Harley Avenue at the Great Western Highway intersection, Mount Victoria, until Monday 9 October

The Australian and NSW governments are carrying out a $250 million upgrade package on the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions.

Roads and Maritime Services is continuing to deliver an important 1.6 kilometre upgrade of the Great Western Highway through Mount Victoria village.

We will be continuing to install a new road surface at the intersection of Harley Avenue and the Great Western Highway as part of section two of the Mount Victoria village safety upgrade project. The work will be continuing until Monday 9 October, weather permitting.

Our day time working hours are between 7am and 6pm from Monday to Friday and between 8am and 1pm on Saturdays.

This work will require the continued closure of the intersection of Harley Avenue and the Great Western Highway until Monday 9 October.

Local residents and heavy vehicles will be able to exit Harley Avenue to turn left only onto the Great Western Highway. Vehicles will not be able to enter Harley Avenue from the Great Western Highway. Access will be available via Station Street.

All other motorists will need to use the Station Street intersection to access Station Street or Harley Avenue.

The work at the intersection will involve:

- installing traffic controls and temporarily modifying pedestrian access
- establishing safe entry and exit points for workers and vehicles
- diverting residential traffic along detour routes
- allowing residential access to nearby properties
- constructing the road surface to final level.

We have included a map to show where the work will take place.
How will the work affect you?

There will be some noise and possible traffic delays associated with this work. We will make every effort to minimise noise and delays, including ensuring our work program allows opportunities for respite.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for motorists and workers.

Please keep to speed limits and follow the direction of traffic controllers and signs. Please plan your journeys to allow for possible delays. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our call our project team on 1800 035 733 or email K2Lupgrade@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

The intersection of Harley Avenue and the Great Western Highway will be closed temporarily to allow for the next stage of construction. Motorists will need to use the Station Street intersection.

All vehicles will have access from Harley Avenue, to turn **left only** onto the Great Western Highway. There will be no right turn from Harley Avenue onto the Great Western Highway.
