Night work and traffic changes on the Great Western Highway, Mount Victoria village, from Monday 5 December to Friday 16 December

The Australian and NSW governments are undertaking a $250 million upgrade package on the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions.

Roads and Maritime Services continues to deliver this important 1.6 kilometre upgrade of the Great Western Highway through Mount Victoria village.

Night work in Section Two, Monday 5 December to Friday 9 December

Roads and Maritime will carry out night work along the Great Western Highway in Section Two of the project area between Cecil Road and Harley Avenue, Mount Victoria village, to install a new sewer main and connect new sections of pipe to existing water mains along and across the Great Western Highway.

This work will take up to five shifts between Monday 5 December and Friday 9 December, weather permitting. Our working hours will be from 7pm and 6am. The work will involve:

- Installing traffic controls and temporarily modifying pedestrian access
- Establishing safe access for workers and vehicles
- Installing temporary lighting towers
- Excavation across the Great Western Highway between Cecil Road and Harley Avenue
- Cutting the existing water main and connecting new sections of water main to the existing network
- Installing a new sewer main and connecting the new sewer main to existing infrastructure
- Backfilling

We have included a map to show the project section where the work will take place.

The water supply to some properties will be impacted during the night. Sydney Water will advise if your home will be affected.

Major traffic changes in Section Two, Hooper Street to Harley Avenue, west bound

As part of the work through Mount Victoria village, we will be moving west bound traffic onto the newly constructed highway alignment and asphalting in Section Two of the project between Hooper Street and Harley Avenue on the Great Western Highway on Thursday 8 December.

To prepare for the traffic switch, we will carry out one shift of night work on Wednesday 7 December, weather permitting. Our working hours will be from 7pm and 6am. The work will involve:
• Installing new line marking
• Asphalting
• Establishing traffic barriers and guides
• Installing temporary lighting towers
• Installing electronic message signs and road work advisory signs to notify motorists of the changed traffic arrangement.

The traffic change will take effect from 6am Thursday 8 December.

Due to the change in traffic arrangements between Hooper Street and Harley Avenue, access from the Great Western Highway to Mount Piddington Road will be closed from 6am Thursday 8 December until mid-2017. During this time work will be carried out to realign and improve access to Mount Piddington Road. Local access to Mount Piddington Road will be maintained via Hooper Street, Carlisle Parade, Apex Avenue and Sylvania Street, Mount Victoria.

We have included:
• A map to show the project section where the work will take place
• A detailed map to describe the changed traffic arrangements between Hooper Street and Harley Avenue
• A detailed map to show the new local access route to Mount Piddington Road.

Night work in Section Three, Wednesday 7 December to Friday 16 December

Roads and Maritime will carry out asphalting west bound along the Great Western Highway in Section Three of the project area between Fairy Dell Road and Kanimbla Valley Road, Mount Victoria village.

This work will take up to eight shifts from Wednesday 7 December to Friday 16 December, weather permitting. Our working hours will be from 7pm and 6am. The work will involve:

• Installing traffic controls and temporarily modifying pedestrian access
• Installing temporary lighting towers
• Establishing safe access for workers and vehicles
• Asphalting and line marking

We have included a map to show the project section where the work will take place.

How will the work affect you?

There will be noise and light associated with the work but every effort will be made to minimise its impact including:

• Noisier work will be completed earlier in the evening where possible
• Work will be organised to allow opportunities for respite.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for traffic. Traffic on the Great Western Highway will be maintained using traffic control during this work. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App for iPhone, iPad and Android.
Night work to be done in Section 3, asphalting west bound along the Great Western Highway, between Fairy Dell Road and Kanimbla Valley Road, Wednesday 7 December to Friday 16 December.

1. New sewer main to be installed during night work in Section 2, along the Great Western Highway, between Cecil Road and Harley Avenue, Monday 5 December to Friday 9 December.

2. Traffic switch in Section 2, west bound on Great Western Highway, Hooper Street to Harley Avenue, 6am Thursday 8 December.

East bound lane Great Western Highway

Traffic to be diverted onto the newly constructed west bound lane of the Great Western Highway, 6am Thursday 8 December

Mount Piddington Road closed, from 6am Thursday 8 December until mid-2017, to realign and improve intersection access
