Night work and traffic changes on the Great Western Highway, Mount Victoria village, from Monday 9 January to Friday 20 January

The Australian and NSW governments are undertaking a $250 million upgrade package on the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions.

Roads and Maritime Services continues to deliver this important 1.6 kilometre upgrade of the Great Western Highway through Mount Victoria village.

Night work in Section Three

Roads and Maritime will carry out asphalting west bound along the Great Western Highway in Section Three of the project area between Fairy Dell Road and Kanimbla Valley Road, Mount Victoria village.

This work will take up to eight shifts from Monday 9 January to Friday 20 January, weather permitting. Our working hours will be from 7pm and 6am. The work will involve:

- Installing traffic controls and temporarily modifying pedestrian access
- Installing temporary lighting towers
- Establishing safe access for workers and vehicles
- Asphalting and line marking

We have included a map to show the project section where the work will take place.

How will the work affect you?

There will be noise and light associated with the work but every effort will be made to minimise its impact including:

- Noisier work will be completed earlier in the evening where possible
- Work will be organised to allow opportunities for respite.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for traffic. Traffic on the Great Western Highway will be maintained using traffic control during this work. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App for iPhone, iPad and Android.
Contact

If you have any questions, please call our call our project team on 1800 035 733 or email K2Lupgrade@rms.nsw.gov.au.

Thank you for your patience during this important work.
